THE WELLESLEY MARTINI

A staple in The Wellesley's history, The Wellesley Martini has been served since doors opened in 2012. A firm favourite of Winston Churchill who was known to enjoy a vodka martini with vermouth.

SILVER LADY

Created as a nod to the iconic Rolls-Royce hood ornament and the chauffeur service we offer to guests, the Silver Lady is a variation of the 1920s sidecar cocktail.

BOSSA NOVA BASS

Dedicated to our Jazz Lounge, Bossa Nova Bass is a twist on the traditional Bossa Nova named after the Brazilian jazz genre of music famed for being performed by the likes of Frank Sinatra.

ELLA FITZGERALD

In spirit of the famed 1920s jazz singer. The Wellesley has a suite dedicated to the 'Queen of Jazz' Ella Fitzgerald and her influence over jazz culture.

MEDIO TIEMPO

Named after the rare cigar leaf and served Manhattan-style, Medio Tiempo is an ode to the vast collection of exquisite cigars housed in our humidor, Europe's largest in a hotel.
